

POLLUTION PREVENTION 2010 VIDEO CONTEST

WHAT IF EVERYONE...

What if everyone did one small thing to make less of an impact on our environment? It's the question Pollution Prevention Week 2010 is asking.

Send us your answer in a 60-second-or-less video telling how changes in your daily life can have a positive impact on the environment.

All you need to do is fill out the submission form, review the rules, and submit your video response to our promotional video on DTSC's YouTube contest site.

Entries are due by September 19, 2010.

This contest is sponsored by DTSC and WSPPN to celebrate the 20th Anniversary of the Pollution Prevention Act.
